Subject: Bid Committee information for the 23th ISRS Invitation

Dear Sir

On behalf of the Brazilian Society of Nuclear Biosciences (SBBN), I am pleased to inform you that SBBN may provide support to the Brazilian application to host the 23th International Symposium of the Radiopharmaceutical Science (23th ISRS), which will be held in 2019.

Therefore, I take this opportunity to express my feelings of special consideration and personal esteem.

Sincerely,

Prof. Silvia Maria Velasques de Oliveira

President
